A beautifully presented two-bedroom home, built in 2013 and offered to the market with no onward chain, located in the highly desirable village of Saughton.

The ground floor opens into a bright and spacious living room, finished in a contemporary neutral palette with plush carpeting, creating a warm and inviting space to relax or entertain. To the rear, the modern fitted kitchen features a range of sleek units, integrated appliances, and ample worktop space, with room for dining and direct access through French doors to the garden. A convenient ground floor WC completes the accommodation.

Upstairs, the property offers two generous double bedrooms, both well-proportioned and filled with natural light. The main bedroom provides a comfortable retreat, while the second bedroom offers flexibility as a guest room, nursery, or home office. The family bathroom is stylish and modern, fitted with a bath and overhead shower, wash basin, and WC.

Externally, the property benefits from a private, enclosed rear garden, laid mainly to lawn with a patio seating area, ideal for outdoor dining and entertaining. A garden shed adds useful storage space. To the front, there is off-road parking for

two cars, all set within a quiet and well-maintained residential development.

Situated just a short drive from Chester city centre, Saughton offers the perfect balance of village living with excellent transport links, nearby amenities, and access to scenic countryside. Locally, there is a primary school, a Co-op and a public house.
