CAUGHALL ROAD, UPTON

4 1 2
BED BATH RECEPTION

Occupying a generous plot in the ever-popular residential area of Upton, Calabar is a substantial four-bedroom semi-detached family home offering an impressive amount of living space, extensive off-road parking, two garages and a particularly generous rear garden. The property has been extended over the years and, while offering an opportunity for a new owner to modernise and put their own stamp on the accommodation, its proportions, plot and location provide all the ingredients for a fantastic long-term family home.

The property is approached across a large driveway providing ample off-road parking and access to the first of two garages. Stepping inside, a welcoming entrance hall provides access to the principal ground-floor rooms and stairs rising to the first floor.

To the front is a comfortable and well-proportioned living room, enjoying plenty of natural light from the large window. Moving towards the rear, a second reception room provides excellent additional family living space, with room for both seating and dining areas. French doors open directly onto the garden, creating a natural connection between the house and the outside space.

The kitchen is another particularly generous room, extending towards the rear of the property with an extensive range of fitted units and plenty of worktop and storage space. There is ample scope here for a future purchaser to create a contemporary kitchen and dining space to suit their own requirements. A useful ground-floor WC completes the accommodation on this level.

Upstairs, the size of the property continues to impress. There are four bedrooms, including a spacious principal bedroom with extensive fitted wardrobes. The remaining bedrooms provide excellent flexibility for a growing family, guests or those looking for dedicated home-working space. They are served by a notably spacious family bathroom, currently fitted with both a bath and separate shower.

One of the property's standout features is undoubtedly the outside space. The large rear garden extends an impressive distance from the house and combines a patio seating area with lawn, mature trees and established planting. Its size offers plenty of space for children, entertaining and keen gardeners, while also providing exciting potential for further landscaping.

Storage and garaging are another major advantage. In addition to the garage adjoining the house, there is a substantial detached garage/outbuilding positioned towards the rear, providing excellent storage, workshop or hobby space and potentially lending itself to alternative uses subject to any necessary permissions.

Upton remains one of Chester's most established and sought-after residential suburbs, particularly popular with families thanks to its combination of excellent amenities, schooling, green space and convenient access into the city.

Caughall Road is particularly well positioned, with everyday amenities available around Upton Heath and Weston Grove, while the area is also home to Chester Zoo. There is a strong choice of schooling nearby, including Acresfield Academy, Upton Heath CofE Primary School and Upton-by-Chester High School. Acresfield Academy is approximately 500 metres from the CH2 1LR postcode.
